*Indian Wool  
Handwoven Dhurries*

this and that

this and that x anahita

## Dari Collection

Each this and that collection begins with the dot and the line or the bindu and liti, blurring the boundaries between form and texture. The Dari Collection has been composed with classic Indian botanicals such as the Sacred Fig, Ber and Adoosa in distinctly non-traditional compositions.

Made of indigenous wool, each handcrafted piece sustains an ecosystem of herders, spinners and weavers. From soft neutrals to rustic hues, our wool rugs are woven in villages across Rajasthan bringing warmth and texture to any space they inhabit.

DARI COLLECTION

*Our inspiration for the Anek Bindu Dhurrie travels far and wide from Riten Mazumdar to S.H. Raza to the 'Mata Hari' ceremonial cloth.*
